CRISIS INTERVENTION TEAM TRAINING
LAW ENFORCEMENT AND EMS

June 18—22, 2018
Eastpointe MCO
450 Country Club Road
Lumberton, NC 28360

The Crisis Intervention Team Training is a forty hour training program designed specifically for individuals working in police departments, sheriff departments, detention centers, judicial systems, emergency services; as well as college security officers, school resource officers, tele-communicators, and college police in the Eastpointe catchment area. This training is free to all participants.

Upon completion of this program, participants should be able to:

☐ Identify mental disorders and give specific examples of the similarities and differences of each.

☐ Describe various traits/characteristics of individuals with substance abuse, mental illness, and/or intellectual disabilities and displayed behaviors when these member experience crisis.

☐ Demonstrate verbal de-escalation skills and effective communication skills.

☐ Identify local resources, helpful information and alternatives to higher-end services such as petitions to the court, involuntary commitment to psychiatric hospitals, etc.

☐ Identify and discuss Eastpointe's referral process and it's role in continuity of care of members.

☐ Explain the importance of community resources to enhance member out-comes.

☐ Identify and discuss challenges when dealing with individuals with Intellectual/Developmental Disabilities.
